2019 / 2020

This year

we are delighted to introduce our new pen collection, which was launched in time for Father's Day. This stylish range includes fountain, rollerball and ballpoint pens, available individually or as matching sets. We have been thrilled with the sales and feedback following the launch of this collection, which has broadened our growing range of men's gifts.

Following along the gift theme, we have also created a selection of gift sets – incorporating matching handkerchief and cufflinks, beautifully presented in a plush gift box. Furthermore, in response to customer requests and increased sales in our leather accessories, our range has expanded here too – all with the popular RFID lining.

You will find new designs of cufflinks, braces, tie slides, bracelets and key rings, many of which were suggested by you, our wonderful customers. Thank you to all who have helped us to provide the products you need – it is what we love doing most!

We hope you enjoy perusing our collections and please keep the feedback coming. Our team here is always happy to hear from you, and we look forward to working with you in the year to come.
